

## HOST FAMILY

Ideal if you want to focus on exchange and to discover the French way of life! You will be in total immersion and you will have the opportunity to practise your French during the meals you will share with your family. The host families are selected by our accommodation officer and sign the school's internal charter. In order to allow total immersion in the host family, we avoid placing students who speak the same language in the same family. Each student has his own bedroom unless requested otherwise.

## STUDENT RESIDENCE

Ideal if you want to be more independent and to meet students from all over the world. You will have access to all facilities (patio, launderette, study room, breakfast room...). Each studio has its own bathroom and kitchenette. Our student residences are about 10 minutes' walk from the adult school.

## SHARED ACCOMMODATION

Ideal if you want to have more space and independence but not be on your own. You will share the areas such as the kitchen and the bathroom with other students (from France and overseas) and you will have your own bedroom.
