ESCE INTERNATIONAL BUSINESS SCHOOL PARIS

For nearly 50 years, ESCE has been preparing its students to successfully lead international careers in all business sectors. Today, a network of more than 11,500 alumni students worldwide contributes to the professional development of our students. In 2019, the group enrolled approximately 3,000 students in various programs:

- 5-year Grande Ecole program (master's level)
- 2-year Grande Ecole program (master's level - via International Admission)
- Summer programs (topics include: intensive French language and culture program, Luxury Academy, Marketing, other Business related courses)
- 3-year Bachelor's degree program

With 190 university partners in 47 countries around the world, ESCE places great emphasis on international mobility programs. All students have the opportunity to spend at least two semesters studying abroad and are able to complete one or more international internship placements as part of the curriculum.
